

#### Mission

EPIC is a public interest research center in Washington, D.C. EPIC was established in 1994 to focus public attention on emerging civil liberties issues and to protect privacy, the First Amendment, and constitutional values. EPIC maintains two of the most popular privacy web sites in the world—[www.epic.org](http://www.epic.org) and [www.privacy.org](http://www.privacy.org)—and pursues a wide range of activities, including policy research, public education, litigation, conferences, publication, and advocacy.

EPIC is a tax-exempt 501(c)(3) organization. Contributions to EPIC for the Anniversary Dinner are tax-exempt less the value of the dinner.
