**Action Item: Identify OTD Presentations/Displays for the 2012 S&T Expo**

**Details:** The Science and Technology (S&T) Expo has been scheduled for 5/3/2012. As you may recall, the first annual S&T Expo that was held in 2011 was a great success and provided an effective forum to showcase the services and capabilities provided across the Science and Technology Branch (STB). The Expo is designed to provide FBI S&T consumers – employees, Intel Community and Law Enforcement partners – an opportunity to appreciate the STB’s state-of-the-art tools, techniques, and various programs by providing a “hands-on” Expo.

Similar to last year the Expo will be held at FBI Headquarters. In preparation for this event, STB is requesting input on presentation ideas and suggestions. In support of this upcoming event, all OTD Sections are requested to provide a consolidated, Section level approved, listing of proposed presentation topics/exhibits. In addition, to the OTD Sections, input can also be provided from the Office of Wireless Innovation and Collaboration and the Technical Liaison Unit.

As background, attached are the presentations/exhibits that were showcased during the 2011 S&T Expo.  
<< File: ST EXPO Presenters.docx >>

**Action Item:** Utilizing the attached format, please email your Section approved presentations/exhibit recommendations.  
<< File: STB Expo 2012 - OTD Presentations.docx >>

Please let me know if you have any questions or need additional information.
