As we stand now, we will continue to operate as we have been and we are putting an EC together describing our LPR policy and procedures. We've invited [Redacted] here for an LPR demo and will let you know when, dependent on their schedule.

FYI. This isn't a dig on you, but as you may recall, last Friday morning when I had a few minutes to talk to [Redacted] about other matters and I mentioned that I had briefed him about the meeting with PCLU, you said that you wished you were there and now I would have to brief you. This email from [Redacted] is why I briefed him while I had the chance because his schedule was tight. Everything I briefed [Redacted] was in the email I sent where you were a recipient. I know you were out of the office but you were also cc'd on the meeting occurrence (W=Wednesday). I've told my guys to keep you and OGC in the loop.

b7C

What's going on? Well, we're just trying to muddle our way through the OGC attorney maze. As our LPR program continues to grow, the OGC attorney's are concerned about privacy issues. So, we have had to participate in a lot of meetings and do a great deal of writing. Writing policy, procedures of use and privacy impact assessment.

Other than that, I haven't done much travel so far this year. Just trying to support the fields request for more LPR's.
