Submitting the notice into Collaboration now.  
Collaboration is limited to one week. Typically, Notices only involve CPO, OGC, and OIC on the collaboration chain, but I have included CTD, CID, and CD because there are specific instructions to those divisions. I will communicate with the DPO of each of these divisions that there will be no extension to collaboration.

FYI,

[REDACTED] kicked this thing along a bit and ultimately pointed us to a POC with OGC/CPO to move this LPR policy forward. After being copied on a flurry of emails from [REDACTED] others on unclass email trying to get something in place ASAP I was put in contact with [REDACTED] CPO, and we decided to pursue a policy "Notice" which is a temporary policy/guidance document giving us 6 months to complete the final. There's a one (1) week collaboration deadline for input on that.

b6  
b7C

I've forwarded the final policy revisions from [REDACTED] Chief OGC-PCLU for your reference. [REDACTED] take a look and let me know if you have any issues with this.

Will advise as we progress.

Hi All,

We have not yet received the funding. I just wanted to confirm that the funding is being sent to [redacted] I just wanted to check, there are so many oddities with the new cornucopia budget structure that I never know if a HQ division is sending it to one of their own program/sub-program (psp) accounts and if that psp is federated or centralized...which means sometimes I can't see the money come in but it is there for me to use. These may be questions that your budget person may have to answer. I know timing is very tight...so I just did not want to inadvertently delay the process.

Hi [redacted]

b6  
b7C

The LPR class will be spending most of our time outside today (can't miss us... we'll be in the parking lot). If you want, I can make sure everybody is inside by 3:30. If you come before 3:30, then just grab us in the parking lot and we'll come back to the classroom. Generally the class is at lunch from around 12:00 – 1:00 (give or take 30 min on either side).

Take care,

Good morning,

It's that time of year again! Each Unit is to submit information including highlights, accomplishments, and other significant tools and/or capabilities, not to exceed one page per Unit, for the Fiscal Year (FY) 2012 OTD Annual Report. *Think: What has your Unit done this FY to make a difference?* At the end of the FY, a follow-up e-mail will be sent to request final year-end stats. Leave a placeholder for final totals. **All submissions must be Section-Chief approved. Please refer to the attachment for explicit Annual Report guidance.**

<< File: Guidelines for Submissions FY 2012.doc >>  
Admins,

Please review the attached POC chart. This year, each Unit will need to provide a point of contact in case there are questions regarding a Unit's submission. **Please fill out the chart for your Section and return to me along with Unit submissions.**

<< File: Annual Report Point of Contacts.docx >>

Last year's report can be viewed on the OTD homepage by clicking on the "Resources" icon in the center of the page. Then, click on the "OTD Annual Reports" link. I must have had one too. I thought I forwarded most or all of this but the collaboration piece might've fell off the table. The collaboration deadline was COB Friday and that was along with a 1 day extension. Maybe we'll have to suffer through a couple more short extensions but we'll see.

I must have had one too. I thought I forwarded most or all of this but the collaboration piece might've fell off the table. The collaboration deadline was COB Friday and that was along with a 1 day extension. Maybe we'll have to suffer through a couple more short extensions but we'll see.
