d) Pen Register/Trap and Trace Surveillance (U)

Between July 1 and December 31, 2010, the United States filed 47 applications with the FISC seeking authorization for the FBI to conduct PR/TT surveillance pursuant to 50 U.S.C. §§ 1841-1846, as amended. In these 47 applications, 26 named U.S. persons were the targets of PR/TT surveillance. The FISC did not deny in whole or in part, or substantively modify any FBI PR/TT applications during this reporting period. (S)

e) Emergency Electronic Surveillance, Physical Search or PR/TT Surveillance (U)

During this reporting period, the Attorney General¹³ authorized emergency electronic surveillance, physical search, and/or PR/TT surveillance pursuant to 50 U.S.C. §§ 1805(e), 1824(e), 1843(a)-(b), or 1881c(d), (b) (1). These emergency authorizations resulted in 0

and 3 applications for authority to conduct PR/TT surveillance. All applications were filed with the FISC within the time limits set forth in FISA. The FISC approved all of the applications. (S)

III. Compliance (U)

Not pertinent/Outside the scope of the request

On a continuing basis, NSD considers ways to improve the handling of compliance matters. In connection with each incident, NSD asks the FBI to identify what steps have been taken to prevent a recurrence. In addition, NSD meets periodically with certain communications providers; one of the purposes of those meetings is to ensure that the providers understand what the FISC has authorized. (U)
