## UNCLASSIFIED

To: Training From: Requesting Division Re: EC NUMBER ON PROJECT REQUEST EC, MM/DD/YYYY

The Operational Technology Division is aware that the TD is required to submit certain course information and training records to other government agencies which requires the course classification markings to be correct. The content of the course is unclassified, but is intended for Official Use Only and is portion marked appropriately. The catalog information for the course, specifically the title and the description supplied to TD, are classified as unclassified and are portion marked appropriately.

The Marketing and Com <u>municati</u> on Plan will include	
reference to the course on the training section of our	
web site and announcements made at meetings	
reta Operational Technology Division agrees to allow the	
to vett any marketing and communication	
materials prior to release if they contain any	
specific information.	ì. n
	b3 b6
Students completing this course will receive	bo b7C
0.5 hours hours of credit on their transcript.	b7E
	"For" ( had
Operational Technology Division has designated	
<u>II/C</u> <u>as the executive sponsor</u> of the Legal Issues	
for and as the courseware	
point of contact. If discrepancies arise regarding the scope or	
accuracy of the content, users will be directed to the courseware	
point of contact for resolution.	
point of contact for resolution.	
The Operational Technology Division acknowledges its	
responsibility for formally reviewing the course content when	
there are upgrades or changes in functionality, policy, or	
procedures and providing to the	
appropriate updates via a	
change request EC. The Operational Technology Division	
understands that courseware must be kept current else it will be	
subject to removal from the system after appropriate	

subject to removal from the system after appropriate notification The Operational Technology Division plans to review this on a yearly basis.
