First, to answer your original question, I will let you communicate directly with [Redacted] re: the Non-Disclosure Agreement.

Second, I spoke to [Redacted] this morning re [Redacted]. He advised that they already have a [Redacted] and they are very familiar with the non-disclosure issues. They are looking at [Redacted]. He advised that signing a new non-disclosure agreement form will not be a problem; he recalled that being part of the process the first time.

Even though we have a great relationship with [Redacted] et al, I still prefer your unit deal directly with [Redacted] re: the NDA.

Thank you very much for bringing this to our attention.

(U//FOUO//LES) [Redacted] but is the result of several years' effort [Redacted]  
[Redacted] The underlying point of the NDA is that the [Redacted] are Law Enforcement Sensitive; as such TTU does not want certain information released [Redacted] absent specific approval by the AD OTD.
