[Redacted]

I placed a copy of the project milestone (as of May 2011) and system level design of the current contract (COTR - [Redacted]) on your desk. [Redacted] is working with [Redacted] for a program status briefing to be held this month and is requesting them to provide us a [Redacted] of their ongoing current effort so that we conduct preliminary evaluation and provide feedback prior to the briefing. Attached is the SOWs I had prepared with a few editing by [Redacted] will provide copy of the final version with all changes incorporated shortly.]

(U) ~~(S)~~ **2.0 REQUIREMENTS AND DELIVERABLES**

(U) 2.1 TASKING

(U) Work under this SOW shall be task-oriented. Each task shall be coordinated with the Contractor by the Contracting Officer's Technical Representative (COTR) and awarded on a task by task basis through the Contracting Officer (CO). As indicated in each Task Order (TO) SOW, the Contractor shall provide services to include the following:

- Engineering Services for [redacted]
- Providing and enhancing systems [redacted]
- Systems [redacted]
- Systems quality assurance: [redacted]
- Systems [redacted]
- Reporting, tracking, documentation development, and presenting;
- Project management to include scheduling, cost management, process analysis and evaluation, project control, and risk management.

(U) The CO shall specify the intended pricing type, firm fixed-price or cost-plus fixed fee, during request for TO proposals. Reference the solicitation documentation for additional information regarding "Ordering Procedures."

(U) For key personnel, the COTR shall require the Contractor to provide a resume demonstrating experience, skills, and education. Once key personnel are approved by the FBI, replacement of those personnel on by the Contractor is subject to review and approval by the COTR. All Contractor personnel shall possess the knowledge and skills necessary to complete the work identified by the FBI.

CELL/OTD 022735

Statement of Work

(U) The Contractor shall be expected to apply a broad base of engineers and support personnel with varying backgrounds in order to maintain the efforts under this contract. At a minimum, the Contractor shall include a copy of the job descriptions to include experience levels and formal education required for each labor category presented in the proposal.

(U) Services provided under each TO shall be performed in accordance with this SOW for the contract as well as contractual terms and conditions. All services and enhancements under this contract shall be conducted with all appropriate legal authority.

(U) ~~(S)~~ 2.2 REQUIREMENTS

The Contractor shall meet the system level criteria for performance as stated below:

(S)

(S)

(S)

(S)

(S)

(S)

b1
b3
b7E

(U) 2.2.7 The Contractor system shall require [redacted] and any [redacted] features under this contract to ensure such use are limited to personnel with the required authority.

(U) 2.3 DELIVERABLES

(U) The Contractor shall provide any of the following as required in specific Task Order requirements documentation:

CELL/OTD 022736

- Project Deliverables
 - [Redacted]
 - [Redacted]
 - Production Run Equipment
- Documentation
 - White Paper Study Reports
 - Baseline Design Documentation
 - Monthly Project Status Reports
- Meetings or Briefings
 - Kick-Off, Program Management, Status or Technical Integration Meetings
 - Review or Technical Briefings to include any required materials

b3
b7E

(U) 3.0 REPORTING AND STATUS REVIEW REQUIREMENTS

(U) 3.1 Project Progress Reports: Project progress shall be reported to the COTR on a monthly basis. At a minimum, the report shall include the following information per Task Order: technical accomplishments and status, upcoming milestones, issues/concerns/risks, action items, and projected cost or schedule overruns.

(U) 3.2 Other Reports: Other reports that may be required by the contractor on a per-task order basis shall include:

- Test Procedures Report
- Installation Report
- [Redacted]
- System [Redacted]
- Training Plans and Manuals
- Task Order Closeout Report
- Contract Closeout Report

(U) 3.3 Phase Review Meetings: Formal phase review meetings shall be conducted at a minimum at the conclusion of each Task Order Phase and include reports for project plans, status, and results.

(U) 3.4 Other Review Meetings: Other meetings that may be required by the contractor on a per-task order basis shall include:

- Monthly or Periodic Technical Integration Meetings - To review technical progress, address any technical challenges and barriers, and communicate with project team
- System Requirements Review - To review and baseline the requirements to be satisfied by the proposed system (product)
- Preliminary Design Review - To review and concur on initial system design concepts including exploitation techniques and implementation methodology
- Critical Design Review - To review and approve final system design
- Test Readiness Review - To review test readiness and authorize initiation of testing

CELL/OTD 022737

Statement of Work

- Operational Readiness Review - To review operational readiness and officially accept system (product)

(U) ~~(S)~~ 4.0 SPECIAL CONSIDERATIONS

(U) 4.1 Health and Safety

(U) In certain configurations if the Contractor systems the Contractor shall provide information regarding these topics in writing and make recommendation to reduce such risk.

b1
b3
b7E

(U) ~~(S)~~ 4.2 Security and Restrictions Considerations

4.1 Security Standards and Regulations

(U) SECURITY STATEMENT: This program, all documentation, all associations, all stated and implied requirements and all personnel must adhere to and meet security requirements. Any breach of security will result in immediate termination of the program and possible repercussions, both contractual and criminal. All dissemination of the program and contract information outside those parties designated by the COTR must be approved in writing by the COTR, to include, but not limited to, partners, technical and contract information and personnel. This program in its entirety is restricted from any and all disclosure to any entity considered foreign to the United States. The contractor shall set up procedures to insulate the program procurement or parts and protection of program information as agreed upon by the COTR.

5.0 Customer Representative

The Contracting Officer (CO) is the only person from the FBI with the authority to negotiate contractual issues or changes and obligate funding. The Contractor is responsible for any changes made without authorization of the CO.
