Re: **TSA10-0674**

Dear Ms. McCall:

This letter acknowledges receipt of your July 13, 2010, Freedom of Information Act (FOIA) request to the Transportation Security Administration (TSA), seeking all records concerning TSA tests and third party tests regarding body scanners and radiation emission or exposure.

As it relates to your request for expedited treatment, your request is denied.

Under the DHS FOIA regulation, expedited processing of a FOIA request is warranted if the request involves "circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual," 6 C.F.R. § 5.5(d)(1)(i), or "an urgency to inform the public about an actual or alleged federal government activity, if made by a person primarily engaged in disseminating information," 6 C.F.R. § 5.5(d)(1)(ii). Requesters that seek expedited processing must submit a statement explaining in detail the basis for the request, and that statement must be certified by the requester to be true and correct. 6 C.F.R. § 5.5(d)(3).

Your request for expedited processing is denied because you do not qualify for either category. You failed to demonstrate a particular urgency to inform the public about the government activity involved in the request beyond the public's right to know about government activity generally. Your letter was conclusory in nature and did not present any facts to justify a grant of expedited processing under the applicable standards.

As it relates to your fee waiver request, I have reviewed your letter thoroughly and have determined that you have not presented a convincing argument that you are entitled to a blanket waiver of fees.

The DHS FOIA Regulations, 6 CFR § 5.11(k)(2), set forth six factors to examine in determining whether the applicable legal standard for a fee waiver has been met. We will consider these factors in our evaluation of your request for a fee waiver:

- (1) Whether the subject of the requested records concerns “the operations or activities of the government;”
- (2) Whether the disclosure is “likely to contribute” to an understanding of government operations or activities;
- (3) Whether disclosure of the requested information will contribute to the understanding of the public at large, as opposed to the individual understanding of the requestor or a narrow segment of interested persons;
- (4) Whether the contribution to public understanding of government operations or activities will be "significant;"
- (5) Whether the requester has a commercial interest that would be furthered by the requested disclosure; and
- (6) Whether the magnitude of any identified commercial interest to the requestor is sufficiently large in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requestor.

As a requester, you bear the burden under the FOIA of showing that the fee waiver requirements have been met. Based on my review of your July 13, 2010 letter and for the reasons stated herein, I have determined that your fee waiver request is deficient because your request for a fee waiver has failed to satisfy each of the required factors, I am denying your fee waiver request.

Provisions of the Act allow us to recover part of the cost of complying with your request. We shall charge you for records in accordance with the DHS Interim FOIA regulations as they apply to media requestors. As a media requestor you will be charged 10-cents a page for duplication, although the first 100 pages are free. We will construe the submission of your request as an agreement to pay up to \$25.00. You will be contacted before any additional fees are accrued.

If you deem the decision to deny expedited treatment and the determination to deny your fee waiver request an adverse determination, you may exercise your appeal rights. In the event that you may wish to appeal this determination an administrative appeal may be made in writing to Kimberly Walton, Special Counselor, Office of the Special Counselor, Transportation Security Administration, 601 South 12th Street, East Building, E7-121S, Arlington, VA 20598-6033. Your appeal **must be submitted within 60 days** from the date of this determination. It should contain your FOIA request number and state, to the extent possible, the reasons why you believe the initial determination should be reversed. In addition, the envelope in which the appeal is mailed in should be prominently marked “FOIA Appeal.” Please note the Special Counselor’s determination will be administratively final. Your envelope and letter should be marked “Freedom of Information Act Appeal.” The implementing Department regulations establish the criteria under which the FOIA is administered. Copies of the FOIA and regulations are available at www.DHS.gov.

We have queried the appropriate program offices of TSA for responsive records. If any responsive records are located, they will be reviewed for determination of releasability. Please be assured that one of the processors in our office will respond to your request as expeditiously as possible. We appreciate your patience as we proceed with your request.

Your request has been assigned reference number **TSA10-0674**. Please refer to this identifier in any future correspondence. You may contact this office at 866.364.2872.

Sincerely,

Kevin J. Janet
