The National Center for Missing and Exploited Children® (NCMEC) was established in 1984 as a private, nonprofit 501(c)(3) organization. NCMEC provides services nationwide to families and professionals relating to preventing the abduction and sexual exploitation of children. Pursuant to its mission and congressional authorization (see 42 U.S.C. § 5773), NCMEC operates the CyberTipline® and the Child Victim Identification Program to provide assistance to law enforcement and others in their efforts to identify and rescue victims of child pornography and child sexual exploitation. NCMEC also works with electronic service providers, electronic payment service providers and others in their efforts to reduce the distribution of child sexual exploitation images and videos on the Internet. NCMEC does not investigate and cannot verify the accuracy of information it receives. NCMEC makes available reports of apparent child sexual exploitation to law enforcement for its independent review and analysis.
