DECLARATION OF PLAINTIFF GRAYSON BARBER

I, GRAYSON BARBER, of full age, hereby declare to the best of my knowledge and belief:

1. My name is Grayson Barber. I reside in Princeton, New Jersey. I am a plaintiff in this case.
2. I make this declaration as a supplement to my first declaration, which I incorporate herein by reference, and to further support my claims that an educational institution that I attended still maintains my non-directory information.
3. From 1987 to 1991, I attended law school and received a J.D. from Rutgers, the State University, in Newark, NJ. In 2010, I matriculated again at Rutgers, the State University, where I attended the School of Communication and Information for two months.
4. Rutgers, the State University of New Jersey, maintains an online database where I can get my school records.
5. On February 5, 2013, I telephoned the Office of the Registrar at Rutgers. The person I spoke to, Angela Frost, referred me to the website <https://transcripts.rutgers.edu>. At this

website, I was able to enter my name and Social Security number to obtain a record of my attendance at Rutgers University and order a transcript.

6. Rutgers still maintains my transcripts and Social Security number.

I declare under penalty of perjury that the foregoing is true and correct and that this declaration is executed in Princeton, New Jersey, on February 14, 2013.
