EPIC is on the front lines of the most important civil liberties issues of our age. —BRUCE SCHNEIER

THE ELECTRONIC PRIVACY INFORMATION CENTER is a public interest research center in Washington, D.C.

EPIC was established in 1994 to focus public attention on emerging civil liberties issues and to protect privacy, freedom of expression, and constitutional values in the information age. EPIC pursues a wide range of activities, including policy research, public education, conferences, litigation, publications, and advocacy. EPIC maintains two of the most popular privacy sites in the world — EPIC.ORG and PRIVACY.ORG.

support
epic

EPIC receives support from individual contributors, private foundations, the sale of publications, and legal awards. Contributions to EPIC are tax-deductible.

Defend privacy.
Support EPIC at EPIC.ORG/DONATE

EPIC Advisory Board

EPIC works closely with a distinguished advisory board drawn from the information law, computer science, civil liberties and privacy communities.
