Thanks for the update Tom.

(b) (6)

I'm hoping since we aren't invited to the call with the DIB companies today, that we will get an update at the 1130 SVTC today. Will let you know.

Hi Tom,

(b) (6)

Did you listen in on yesterday's call? I've reached out to (b)(6)-P.L. 86 as well. If you have any details on this afternoon's meeting/call, please pass it on.

Thank you,

Carole

I did not receive any details on the call tomorrow, Carole. Tom may know something from today's prep discussion, or (b)(6)-P.L. 86-36 will have the details.

Carole - see below. There's a telcon with the DIB companies tomorrow. Can you reach out to Natalie or Stephanie to get time and number so I can call in please? Once we have it, will need to put on my calendar.

Thanks,

Nicole

Subject: RE: Meeting on DIB

I have attached the DIB banners that we have discussed so far, plus a new one (below the line) provides greater specificity on what the nature of the Government involvement is. I am waiting to hear from NSA whether this causes concern due to its specificity, so this is just an idea at the moment rather than a proposal, but I certainly would be interested in your views as to its adequacy. I have no real idea whether the DIB members would find this approach more acceptable, but it strikes me as plausible that they would, and the more choice we can provide the better.

(b) (5)

Looking forward to meeting with you.

Unless you hear differently, all logistics will be the same as last time (see PS of this message). I've copied (b) (6) (b) (6) keeper), for confirmation of, or any deviations from, this plan.

May I ask who all will be joining us?

Please note that I'm inviting David *G.* Delaney also.

Cheers/ (b) (6)

PS- Here's excerpt from (b) (6) message for our last meeting:

 (b) (6) office is located between the Mall and River Entrances of the Pentagon. We are in room (b) (6). If you are arriving in a government car you can be dropped off at either entrance. If you do not have a Pentagon badge, you will need an escort to get in the building. When you arrive at the building, and if you need an escort, please call and someone will come and escort you to the office. If you are arriving via Metro and do not have a Pentagon badge, you will have to go through the security line outside the building. To get through security, you will need two forms of identification (an ID with a photo and a credit card--or something else with your name on it). After clearing security outside the Metro Entrance if you do not have a badge, you will need an escort from the Visitor's Waiting Area which is located just inside the Pentagon (to the left before the turnstiles). If you need an escort, please call the office while you are in line outside the building and someone from the office will start walking to the Visitor's Waiting Area (about a 5 minute walk from the office).

Please arrive about 15-20 minutes early to clear security and walk to the office from the Metro Entrance. The Mall and River Entrances are only a minute from the office but you will still need two forms of identification.

Let me know how you plan to arrive and if you will need an escort.

You can switch to pens. We're set on this side. Let's say 3:00 on Monday. Should we arrive at the same entrance as last time?

We don't have it locked in yet, but we're trending toward 3:00. Can we tentatively say 3:00 to 5:00 (it may not take that long) and I'll be back to confirm?

Also, we'd be happy to meet at the same location at the Pentagon as last time. Thanks.

Yes, please. In fact, if schedules align, (b) (6) would like to attend.

(b) (6) is available any time other than 1300-1345 and 1430-1500 (and this latter event can be overcome if necy).

We may be able to host - if that's convenient. Same place as last time.

You guys?
