Dear Enid Zhou:

This is a supplemental response to Categories 1 and 2 of your Freedom of Information Act (FOIA) request, dated and received in this Office on November 5, 2018, for various records pertaining to Special Counsel Robert S. Mueller III's investigation into Russian interference with the 2016 U.S. presidential election and other related matters.

By letters dated May 6, June 3, August 8, and September 12, 2019, we provided responses to your FOIA request. Please be advised that we have located an additional seven pages containing records responsive to Categories 1 and 2 of your request. I have determined that all seven pages are appropriate for release with excisions made pursuant to Exemptions 6 and 7(C) of the FOIA, 5 U.S.C. § 552(b)(6) and (b)(7)(C). Exemption 6 pertains to information the release of which would constitute a clearly unwarranted invasion of personal privacy. Exemption 7(C) pertains to records or information compiled for law enforcement purposes the release of which could reasonably be expected to constitute an unwarranted invasion of personal privacy.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. *See* 5 U.S.C. § 552(c) (2018). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

If you have any questions regarding this response, please contact Courtney D. Enlow of the Department's Civil Division, Federal Programs Branch at 202-616-8467.

Sincerely,

Jonathan Breyan
