ORDER

For the reasons set forth in the Court’s Memorandum Opinion of November 7, 2017, it is hereby

ORDERED that, on or before **December 9, 2017**, DOJ shall submit one or more declarations that explain with specificity the grounds for each partial or complete withholding that the Court has identified in Section III.D of the Memorandum Opinion, as well as the reasons why any non-exempt material within these redactions cannot reasonably be segregated from the exempt material. It is

FURTHER ORDERED that renewed motions for summary judgment with respect to the withholdings specifically addressed in Section III.D of the Memorandum Opinion shall be filed on or before **January 12, 2018**; the briefs in opposition to such motions for summary judgment shall be filed on or before **February 9, 2018**; and reply briefs shall be filed on or before **March 2, 2018**. The government’s summary judgment submission (and, if need be, its supporting materials) shall also explain the notation on page 59 of Document 127, which currently contains no redactions and yet indicates that

some information on that page is “within the remaining challenged withholdings[,]” and shall justify any related withholding.
