MEMORANDUM FOR DEPARTMENT OF TREASURY

SUBJECT: Establish Account for the Artificial Intelligence Commission

Washington Headquarters Services as a shared service provider requests the establishment of account 48 2765 (AID 245) for use by the Artificial Intelligence Commission.

The Artificial Intelligence Commission was established in Public Law 115-232 to review advances in artificial intelligence, related machine learning developments, and associated technologies.

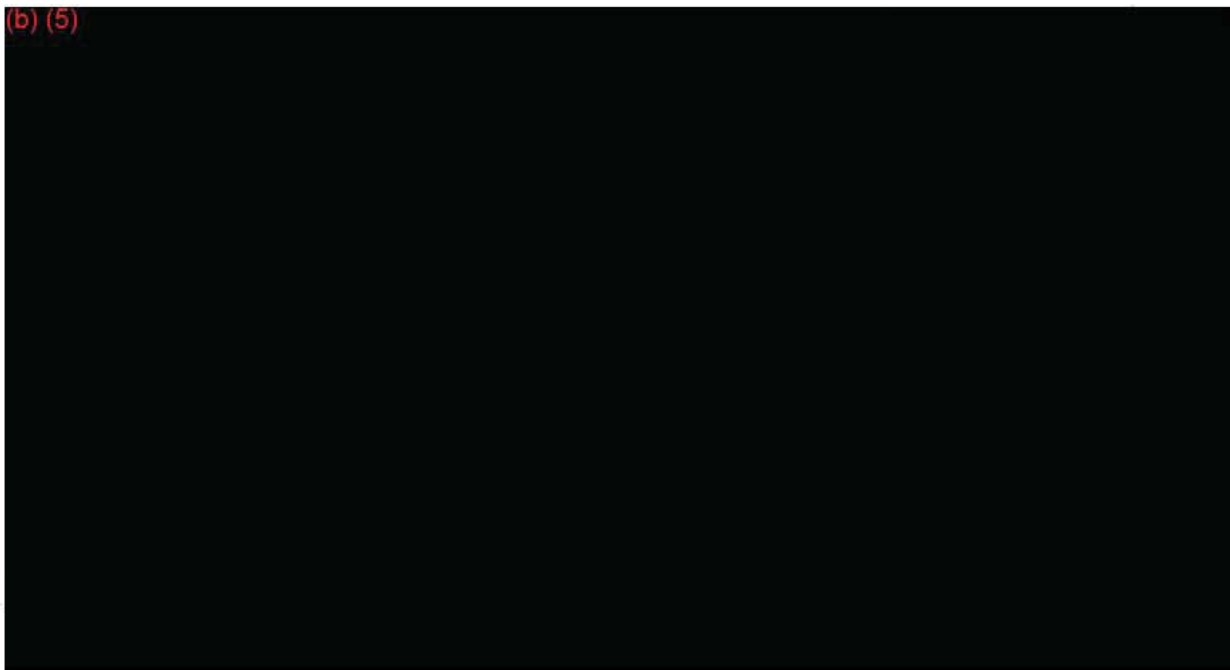

Point of contact for this action is (b) (6) or

(b)(6)

As this moves forward I would like for you to map out the process for how we support a National Commission. (b)(6) (b)(6) will be our POC at OUSC for transferring Department \$ to UST for the Commission. Please work with him to document the step they take to accomplish this. Once the account is set up we'll explain MAX and the apportionments.

Chris,

As Comptroller finalizes the sourcing the \$10 million for the National Commission on AI you'll need to decide if the commission will want to use WHS as its service provider - facilities, human resources, financial, acquisition, and records management. For IT services organizations we refer customers to JSP.

If the new commission decides to have WHS provide services we'll need to finalize this arrangement via an MOA. Attached is an MOA that we put together to support the National Commission on Military, National, and Public Service that your team can use as a template for its MOA.

I've copied the other WHS Director and Deputies so that they are aware that the Commission may be requesting support.

Subject: RE: AI Commission

No worries. In sum, I think the process is pretty simple:

P&FC works with OMB to establish a new Treasury date for the new entity;
We sweep up funds to pay for it;
P&FC does the rest of the work (letter transfer and data sheet);
We watch things unfold.

No the hardest thing I've done this week :)

Hi (b) (6) -- as discussed, we need a new Treasury Account (19/X) for the National Security Commission on Artificial Intelligence directed in FY19 NDAA, Sec 1051. Blurb is below.

Thanks and VR (b) (6)

SEC. 1051. NATIONAL SECURITY COMMISSION ON ARTIFICIAL INTELLIGENCE.

(a) ESTABLISHMENT.-

(1) IN GENERAL.-There is established in the executive branch an independent Commission to review advances in artificial intelligence, related machine learning developments, and associated technologies.

(2) TREATMENT.-The Commission shall be considered an independent establishment of the Federal Government as defined by section 104 of title 5, United States Code, and a temporary organization under section 3161 of such title.

H. R. 5515-328

(3) DESIGNATION.-The Commission established under paragraph (1) shall be known as the "National Security Commission on Artificial Intelligence".

(4) MEMBERSHIP.-

(A) COMPOSITION.-The Commission shall be composed of 15 members appointed as follows:

(i) The Secretary of Defense shall appoint 2 members.

(ii) The Secretary of Commerce shall appoint 1 member.

(iii) The Chairman of the Committee on Commerce, Science, and Transportation of the Senate shall appoint 1 member.

(iv) The Ranking Member of the Committee on Commerce, Science, and Transportation of the Senate shall appoint 1 member.

(v) The Chairman of the Committee on Energy and Commerce of the House of Representatives shall appoint 1 member.

(vi) The Ranking Member of the Committee on Energy and Commerce of the House of Representatives shall appoint 1 member.

(vii) The Chairman of the Committee on Armed Services of the Senate shall appoint 1 member.

(viii) The Ranking Member of the Committee on Armed Services of the Senate shall appoint 1

member.

(ix) The Chairman of the Committee on Armed Services of the House of Representatives shall appoint 1 member.

(x) The Ranking Member of the Committee on Armed Services of the House of Representatives shall appoint 1 member.

(xi) The Chairman of the Select Committee on Intelligence of the Senate shall appoint 1 member.

(xii) The Vice Chairman of the Select Committee on Intelligence of the Senate shall appoint 1 member.

(xiii) The Chairman of the Permanent Select Committee on Intelligence of the House of Representatives shall appoint 1 member.

(xiv) The Ranking Member of the Permanent Select Committee Intelligence of the House of Representatives shall appoint 1 member.

(B) DEADLINE FOR APPOINTMENT.-Members shall be appointed to the Commission under paragraph (1) not later than 90 days after the Commission establishment date.

(C) EFFECT OF LACK OF APPOINTMENT BY APPOINTMENT DATE.-If one or more appointments under paragraph

(1) is not made by the appointment date specified in paragraph (2), the authority to make such appointment or appointments shall expire, and the number of members of the Commission shall be reduced by the number equal to the number of appointments so not made.

(5) CHAIR AND VICE CHAIR.-The Commission shall elect a Chair and Vice Chair from among its members.

(6) TERMS.-Members shall be appointed for the life of the Commission. A vacancy in the Commission shall not affect

H. R. 5515-329

its powers, and shall be filled in the same manner as the original appointment was made.

(7) STATUS AS FEDERAL EMPLOYEES.-Notwithstanding the requirements of section 2105 of title 5, United States Code, including the required supervision under subsection (a)(3) of such section, the members of the Commission shall be deemed to be Federal employees.

(b) DUTIES.-

(1) IN GENERAL.-The Commission shall carry out the review described in paragraph (2). In carrying out such review, the Commission shall consider the methods and means necessary to advance the development of artificial intelligence, machine learning, and associated technologies by the United States to comprehensively address the national security and defense needs of the United States.

(2) SCOPE OF THE REVIEW.-In conducting the review paragraph (1), the Commission shall consider the following:

(A) The competitiveness of the United States in artificial intelligence, machine learning, and other associated technologies, including matters related to national security, defense, public-private partnerships, and investments.

(B) Means and methods for the United States to maintain a technological advantage in artificial intelligence, machine learning, and other associated technologies related to national security and defense.

(C) Developments and trends in international cooperation and competitiveness, including foreign investments in artificial intelligence, related machine learning, and computer science fields that are materially related to national security and defense.

(D) Means by which to foster greater emphasis and investments in basic and advanced research to stimulate private, public, academic and combined initiatives in artificial intelligence, machine learning, and other associated technologies, to the extent that such efforts have application materially related to national security and defense.

(E) Workforce and education incentives to attract and recruit leading talent in artificial intelligence and machine learning disciplines, including science, technology, engineering, and math programs.

(F) Risks associated with United States and foreign country advances in military employment of artificial intelligence and machine learning, including international law of armed conflict, international humanitarian law, and escalation dynamics.

- (G) Associated ethical considerations related to artificial intelligence and machine learning as it will be used for future applications related to national security and defense.
- (H) Means to establish data standards, and incentivize the sharing of open training data within related national security and defense data-driven industries.
- (I) Consideration of the evolution of artificial intelligence and appropriate mechanism for managing such technology related to national security and defense.
- (J) Any other matters the Commission deems relevant to the common defense of the Nation.

- (1) INITIAL REPORT.-Not later than 180 days after the date of the enactment of this Act, the Commission shall submit to the President and Congress an initial report on the findings of the Commission and such recommendations that the Commission may have for action by the executive branch and Congress related to artificial intelligence, machine learning, and associated technologies, including recommendations to more effectively organize the Federal Government.
- (2) ANNUAL COMPREHENSIVE REPORTS.-Not later than one year after the date of this enactment of this Act, and every year thereafter annually, until the date specified in subsection (e), the Commission shall submit a comprehensive report on the review required under subsection (b).
- (3) FORM OF REPORTS.-Reports submitted under this subsection shall be made publically available, but may include a classified annex.
- (d) FUNDING.-Of the amounts authorized to be appropriated by this Act for fiscal year 2019 for the Department of Defense, not more than \$10,000,000 shall be made available to the Commission to carry out its duties under this subtitle. Funds made available to the Commission under the preceding sentence shall remain available until expended.
- (e) TERMINATION.-The Commission shall terminate on October 1, 2020.
- (f) DEFINITION OF ARTIFICIAL INTELLIGENCE.-In this section, the term "artificial intelligence" includes each of the following:
 - (1) Any artificial system that performs tasks under varying and unpredictable circumstances without significant human oversight, or that can learn from experience and improve performance when exposed to data sets.
 - (2) An artificial system developed in computer software, physical hardware, or other context that solves tasks requiring human-like perception, cognition, planning, learning, communication, or physical action.
 - (3) An artificial system designed to think or act like a human, including cognitive architectures and neural networks.
 - (4) A set of techniques, including machine learning that is designed to approximate a cognitive task.
 - (5) An artificial system designed to act rationally, including an intelligent software agent or embodied robot that achieves communication, planning, reasoning, learning, decision-making, and acting.

For all, HRD created the RPA to initiate the Table 30 build out (create manpower structure) so personnel actions can be processed. Once the table is built we can then create RPAs for these actions. As of yesterday the commission wants 15 commissioners brought in and 3 staffers ASAP. I will work to create the RPAs just to get the commission on track. The former DSD Work is the lead commissioner.

There are two other commissions we are working now as well.

Date: Thursday, January 31, 2019 7:37:14 AM

(b) (6)

Sorry for the delay in responding.

Brian processed this transfer in EFD on 1/29/2018 and you can run the FAD.

Please email us if you have further questions.

Thanks,

(b) (6)

FY 2019 Apportionment
Previously Approved Footnotes

Footnotes for Apportioned Amounts

- A1** A classified attachment displaying the apportionment of specific classified programs within the amount displayed may be included. All documents associated with this apportionment are unclassified except for the Classified Attachment. The classified apportionment shall be allotted in full and executed without change. Such apportionment shall remain valid during the fiscal year until such time as a reapportionment of such classified apportionment is required. Allotments shall be made no later than 30 days after OMB signs the apportionment or the start of the subsequent calendar month, whichever is later.

Footnotes for Budgetary Resources

- B1** \$10,000,000 is transferred to the National Security Commission on Artificial Intelligence from the Department of Army, Department of Navy, Department of Air force, the Defense Advanced Research Projects Agency, the Under Secretary of Defense for Intelligence, and the Under Secretary of Defense for Research and Evaluation in accordance with section 1051 of P.L. 115-232.
