Task Order:
Responses to Conditions and Assumptions pages 11-13.
b3         Please note that all terms and conditions for the negotiated and agreed upon per signatures on 9/15/09. The following conditions and assumptions         were provided in the proposal:
1. The basis for this proposal is the Base IDIQ Contract No. and associated documents; the Sponsor's RFP dated 12 July 2010 and accompanying documents.
- The FBI concurs.
2. Proposed pricing and schedule assume full funding at award. Should incremental funding be required, the Contractor will provide a funding profile at negotiations and provide funding limitations notices per FAR 52.232-22 Limitation of funds, to ensure funding is provided in a timely fashion to support the proposed schedule.
- The FBI intends to incrementally fund this tasking. See original RFP clause included in Section I.
3. Proposed pricing assumes effort will be awarded on a single Task Order/Delivery Order under which only one CLIN per task order. If multiple CLINs are to be awarded, Contractor reserves the right to update its proposal to include additional administrative costs associated with managing multiple CLINs.
- Number of CLINs will be determined at time of award and at no additional cost to the FBI.
4. Proposed prices are exclusive of international, federal, state, local, excise, sales, gross receipts, use, business and occupation tax, and similar taxes arising from or in connection with the proposal, and such taxes, if assessed will be invoiced by the Contractor and paid by the Sponsor.
- See original contract. The federal government is tax exempt.
5. Period of Performance is 8 months which includes 7 months for program execution and 1 month to perform final task order closeout activities.
- The FBI accepts this assumption.
6. is asserting its right to protect intellectual property (IP) in accordance with F.A.R. Clause 52.227-14 Rights in Data – General. Any IP claim will be submitted under separate cover.
- The FBI will review all claims submitted by vendor and determine IP rights on an individual
basis.       b3         7.       requests the Sponsor incorporate into the IDIQ Terms and Conditions, Alternate II (Dec         2007) of Clause F.A.R. 52.227-14, Rights in Data- General. This clause will be applicable to this and
<ul> <li>subsequent efforts.</li> <li>The FBI concurs. This clause is incorporated via Mod 6 to fully executed</li> <li>8/23/10.</li> </ul>

Task Order: REVISION	
<b>Responses to Conditions and Assumptions pages 11-13.</b>	
Please note that all terms and conditions for the Contract are in affect and negotiated and agreed upon per signatures on 9/15/09. The following conditions and assumptions were provided in the proposal:	b3 b7E
1. The basis for this proposal is the Base IDIQ Contract No. and associated documents; the	
Sponsor's RFP dated 12 July 2010 and accompanying documents.	
- The FBI concurs.	
2. Proposed pricing and schedule assume full funding at award. Should incremental funding be required, the Contractor will provide a funding profile at negotiations and provide funding limitations notices per FAR 52.232-22 Limitation of funds, to ensure funding is provided in a timely fashion to support the proposed schedule.	
- The FBI intends to incrementally fund this tasking. See original RFP clause included in Section I.	
3. Proposed pricing assumes effort will be awarded on a single Task Order/Delivery Order under	
which only one CLIN per task order. If multiple CLINs are to be awarded, Contractor reserves the	
right to update its proposal to include additional administrative costs associated with managing multiple CLINs.	
<ul> <li>Number of CLINs will be determined at time of award and at no additional cost to the FBI.</li> <li>REVISION PER 8/31/10: The FBI will work with contracts office to format funding on one PO line, if possible, for administrative and funding ease within The FBI will also use "M" PO #s when possible for ease of tracking purposes.</li> </ul>	b3 b7E
4. Proposed prices are exclusive of international, federal, state, local, excise, sales, gross receipts, use, business and occupation tax, and similar taxes arising from or in connection with the proposal, and such taxes, if assessed will be invoiced by the Contractor and paid by the Sponsor.	
<ul> <li>See original contract. The federal government is tax exempt.</li> <li>REVISION PER 8/31/10: The FBI concurs.</li> </ul>	
5. Period of Performance is 8 months which includes 7 months for program execution and 1 month to perform final task order closeout activities.	
- The FBI accepts this assumption.	
<ul> <li>6 is asserting-its right to protect intellectual property (IP) in accordance with F.A.R. Clause</li> <li>52.227-14 Rights in Data – General. Any IP claim will be submitted under separate cover.</li> </ul>	
<ul> <li>The FBI will review all claims submitted by vendor and determine IP rights on an individual basis.</li> </ul>	
- REVISION PER 8/31/10: Please refer to final documentation under separate cover letter.	

•

.

.

7. requests the Sponsor incorporate into the IDIQ Terms and Conditions, Alternate II (Dec 2007) of Clause F.A.R. 52.227-14, Rights in Data- General. This clause will be applicable to this and subsequent efforts.

- The FBI concurs. This clause is incorporated via Mod 6 to \_\_\_\_\_\_ fully executed 8/23/10.

63

b7E

- REVISION PER 8/31/10: Please refer to final documentation under separate cover letter.

8. will not provide documentation, specifications, drawings, source code, or prototypes, associated with our intellectual property (IRAD). As such requires Clause H-10 and Paragraph 2.6(i) be revised or deleted with respect to IP.

- See original contract terms and conditions agreed upon under contract. H-10 remains as stated. Negotiations regarding IRAD funding will be addressed on a case by case basis.

9. No estimates have been included for providing Contractor team member working notes called out in Paragraph 2.6(f). Note; this is not a standard practice will assess the cost and schedule impact if this review is required.

- The FBI concurs. If required, vendor will be advised.

10. Weekly status reports will be submitted via e-mail and shall address technical problems, risks, issues, production, technical assessments, and security items, and concerns (SOW 3.3 and 3.4.1).

- The FBI concurs.

÷

11. This proposal assumes all customer meetings are held at the contractor's facility.

- The FBI concurs.

12. Formal meeting Agendas will be sent via email or secure fax..

- The FBI concurs.

13. At customer direction, Monthly Program Reviews may be held by telephone.

- The FBI concurs.

14. Invoices will be billed by element of cost, consistent with the contractors current invoice format. No hourly information will be on the invoices; however, this data can be incorporated into the monthly customer report.

 Hourly information shall be required and can be incorporated into the monthly customer report.

15. Production, Technical Assessments, and Security Reviews (SOW 3.4.1), when needed; will be incorporated into Weekly or Monthly Status Review.

- The FBI concurs.

16. All deliverable data submissions are considered approved if no comments are received by 10 business days after submission to the Customer. Multiple iterations for report revisions are not considered in this proposal estimate.

- See Section E.1 of the \_\_\_\_\_\_ of awarded contract \_\_\_\_\_\_ incorporated into the Contract, the FBI retains the right to 30 days for inspection and acceptance of submitted deliverables.

17. The proposed price for the study option assumes that the option will be exercised at the same time as the base award in order for it to be completed, with the base program period of performance.

- The FBI intends to exercise Option Year 1 for the Contract in September 2010 with same terms and conditions as agreed upon in the contract, for the 60 month period. If this statement does not address #17. Please advise.
- REVISION PER 8/31/10: Please refer to guidance from Technical Read and any revisions to SOW agreed upon under other documentation.

b3 b7E

b3 b7E

> b3 b7E

18. This proposal assumes will have the right to incorporate any results of this program into its commercial products as applicable.

- shall notify the FBI of any results, capabilities, or functionalities related to this tasking that are intended to be incorporated into commercial products.

19. This proposal assumes Pictorial System Diagrams (SOW 2.6) will be included in PDR and CDR packages and not separate deliverable.

- The FBI concurs.

20. As authorized by F.A.R. 52.232-28, requests electronic funds transfer of payments to:

- The FBI concurs. See contract awarded

21. has not included in its estimate of cost incurred or to be incurred any amount for termination liability costs to which may be entitled in the event of a termination for convenience by the Government.

See Contrac for all terms and conditions that are applicable to this agreement.

22. currently has a website available for government customers; this proposal assumes

this existing Web Site satisfies the Sponsor's requirement (SOW 3.10). If additional capabilities above this are required, reserves its right to assess the impact.

- The FBI concurs.

23. Invoicing will be monthly after \_\_\_\_\_ period end, the terms of which would be 100% due Net 30 subject to the FAR 52.232-25, Prompt Payment Clause.

- The FBI concurs. See contract awarded

24. FOB Point is destination.

	ttttt
- The FBI concurs.	
25. No warranty terms are offered.	
- Warranty terms, if applicable, will be in accordance with the terms of the contract	
signed 9/15/09.	
26. If products are required for this effort they are priced at the price list value with	
no additional burdens.	
- The FBI concurs. However, please see Cost Proposal page 37 and 38 and adjust pricing	b3
accordingly.	b7E
27. The Consolidated Materials Listing (CML) is not auditable at proposal submission.	•
continuing to firm material pricing to provide for negotiations.	
- Please clarify assumption.	
<ul> <li>REVISION PER 8/31/10: See revised cost proposal for final documentation.</li> </ul>	
28.	
will monitor and assess this during performance and will	
notify the customer as necessary.	
- The FBI concurs.
