I am inquiring as to how you would like me to proceed. I have requests from the OTD has worked for several years to acceptance of the attached NDA. Before an NDA must be signed. We can pursue this in two ways: 1.

You or your SAC can submit the NDA to have them sign the enclosed NDA, one per individual, or I can travel and perform same. Wanted to run this by each of you.

The attached documents are the requesting letter from and the actual FBI approved NDA. The requestors are required to each sign an NDA and are specifically identified in the attached pdf file.

If I can answer any question feel free to contact me directly.
