(f) Vendor invoices submitted electronically through IPP should be in the proper format and contain the required information for payment processing. A “proper invoice” must meet the minimum standards specified in FAR 32.905(b) in order to be approved for payment.

(g) Invoices will be handled in accordance with the Prompt Payment Act (31 U.S.C. 3903) and Office of Management and Budget (OMB) prompt payment regulations at 5 CFR Part 1315.

Note: Any invoice found to be incorrect or insufficient may be returned to the contractor for correction and/or resubmission. Any invoice returned will be accompanied by a memo identifying the discrepancies.
5.1 IR1052.232-7003 ELECTRONIC INVOICING AND PAYMENT REQUIREMENTS FOR THE INVOICE PROCESSING PLATFORM (IPP) (JUL 2015)

(a) Definitions:
"Short payment" as used in this clause means an invoice that includes the cost or price for supplies or services delivered or performed, as well as the cost or price for supplies or services not yet tendered to the Government in accordance with the terms of the contract, order or agreement.
"Short payment" example: The contract requires the delivery of a set number of items, with the price, delivery location, and delivery due date also specified. The vendor delivers 50% of the items as specified but invoices for 100% of the items. Before implementation of the IPP, the IRS would have paid the vendor for the items delivered and instructed the vendor to re-invoice the IRS when the balances of the items were delivered. In other words, the IRS would "short pay" the invoice since the IRS did not remit payment for the full invoice amount. With implementation of the IPP, the IRS can no longer do this because the IRS cannot accept an electronic invoice that includes items not yet received. The IRS will reject the invoice. The vendor needs to submit an invoice for only the items received by the IRS (in this case, 50%), and, assuming that these items meet all other contract terms and conditions, the IRS will pay the invoiced amount. The vendor submits subsequent invoice(s) for items as they are delivered and accepted.

(b) The Invoice Processing Platform (IPP) is a secure Web-based electronic invoicing and payment information service available to all Federal agencies and their suppliers. Effective October 1, 2012, invoicing for payment through the IPP will be mandatory for all new contract awards. Additional information regarding the IPP may be found at the IPP website address https://www.ipp.gov. Contractors must complete the contractor point of contact information below, and submit it with their proposal submissions. Contractors may contact the IPP Helpdesk for assistance via email at ippgroup@bos.frb.org or via phone at (866) 973-3131. Once a contract award has been made, the contractor will be contacted by the IPP via email to set-up an account. It will be necessary for contractors to login to their IPP accounts every 90 days to keep their IPP accounts active.

(c) Contractor Point of Contact Information

**Contractor Name:** Continental Service Group Incorporated  
**Contractor IPP Point of Contact Name:**  
**Contractor Phone Number:** (b)(4)  
**Contractor Email Address:** (b)(6)

(d) Electronic Invoicing and Payment Requirements
Vendor invoices submitted electronically through the IPP should be in the proper format and contain the information required for payment processing. In order to be approved for payment, a “proper invoice” must list the items specified in FAR 52.232-25 (a)(3)(i) through (a)(3)(x), or in the case of a Commercial Item Contract, the items included in 52.212-4(g)(1)(i) through (g)(1)(x).

If the vendor is offering a discount via the IPP, the discount must be reflected on the invoice. The vendor will select ‘Create Invoice’. The IPP system will default to ‘Net 30 Prompt Pay’ under the Payment Terms dropdown box. The vendor will select from 54 different discount options for the invoice that is being created. If the vendor chooses to offer a discount on the invoice screen, the information will interface to the payment system for processing. Discounts that are offered on attachments rather than the invoice itself cannot be accepted.

Under this contract, the following documents are required to be submitted as an attachment to the invoice (Contracting Officer fills in additional documentation that must be furnished by the contractor (e.g. timesheet))
*Please do not submit into IPP any documentation/attachments that conflict with what is stated on the invoice:*

None identified
(e) **Payment and Invoice Questions** For payment and invoice questions, contact the Beckley Finance Center at (304) 254-3372 or via email at cfo.bfc.ipp.customer.support@irs.gov.

(f) **Waiver**
If the Contractor is unable to use the IPP for submitting payment requests starting on October 1, 2012, then a waiver form must be completed and submitted with the contractor’s proposal submission for review and approval by the Contracting Officer based on one of the conditions listed in the waiver form included as Attachment 1 to this RFQ. The vendor will be notified prior to award as to whether their request for waiver has been approved or denied. If the waiver is granted, then a copy of the waiver must be submitted with each paper invoice that the vendor submits to the payment office or the invoice will be returned.

(g) **Short Payment**
Short payment on vendor submitted invoices will no longer be processed or paid. If any portion of the invoice does not meet the requirements for a proper invoice, the entire invoice shall be rejected and returned to the vendor unpaid.

(End of Clause)

All other terms and conditions remain unchanged.
