Thanks. This works for HSI.

For ERO, just need an update on what ERO does. Last I thought you all weren't using, but were looking at some contract to maybe try it?

Yes we prepared one that we sent to OPLA last night for review and we are waiting on their feedback and comments which we should have today. Attached is a draft if you want to review and let us know if you want more/less. If not will get you final copy once OPLA approves.

Thanks, (b)(6); (b)(7)(C)
