RE: Electronic Privacy Information Center v. ICE; 1:20-cv-03071-TNM
ICE FOIA Case Number 2021-ICLI-00005
Twelfth Interim Release

Dear Mr. Scott:

This letter is the twelfth interim response to your client's Freedom of Information Act (FOIA) requests to U.S. Immigration and Customs Enforcement (ICE), dated October 26, 2020. Your FOIA request seeking records related to ICE's use of Clearview AI technology and ICE use of facial recognition software.

ICE has considered your request under the FOIA, 5 U.S.C. § 552.

A total of 514 pages of records were reviewed for this interim production. These 514 pages of records were located pursuant to a search of the Office of Information Governance and Privacy. After review of these documents, ICE has determined that 65 pages were deemed non-responsive. The responsive 89 pages of records are attached and have been marked 2021-ICLI-00005 2045 to 2021-ICLI-00005 2133. Upon review, ICE has determined that 89 pages will be released in their entirety; ICE has claimed no deletions or exemptions.

Furthermore, 360 pages were sent for consultations to other agencies for their review and input

If you have any questions about this letter, please contact Assistant United States Attorney Michael A. Tilghman II.

Sincerely,

Korrina Stewart
ICE Litigation Supervisor
