RECITAL

YRS provides certain Services [defined in section 1 (Definitions), below] to Client in connection with its use of the Services [defined in section 1 (Definitions), below] for managing properties owned and/or managed by Client. As a condition to accessing and using the Services and in consideration of the respective rights and obligations of the parties as set forth in this Agreement, the parties agree as follows:

AGREEMENT

1. Definitions.

a. "Applicant" means a current or prospective tenant of a Property who has consented in writing to End-User's use of the Services in connection with the Permissible Purpose.

b. "Confidential Information" is defined in section 6 (Confidentiality).

c. "Credit Bureau" and "CRA" mean each credit bureau such as Equifax®, Experian®, TransUnion® and other consumer reporting agency vendor (such as LexisNexis®) that provides information contained in the Services, either individually or collectively as understood by the context wherever referenced.

d. "Eligibility Criteria" means the Applicant selection policies or standards, as set solely by Client or other responsible party such as a property owner.

e. "End-Users" means Client and Client's employees who access and use Services.

f. "Fair Credit Reporting Act" or "FCRA" means 15 U.S.C. § 1681 et seq. as may be amended from time to time.

g. "Permissible Purpose" means the use of the Services by End-Users for evaluating Applicants in accordance with this Agreement, the FCRA, all other applicable laws and regulations, and Schedule C (Required Supplemental Terms and Conditions).

h. "Property" or "Properties" means the property or properties and the designated units thereof expressly listed in Schedule B (Property Worksheet).

i. "Services" means the YRS screening and related products and solutions provided pursuant to this Agreement that contain information expressly governed by the FCRA, other related applicable laws and regulations and Schedule C (Required Supplemental Terms and Conditions).

j. "Tenant Screening Report" means the information from any Credit Bureau assembled, merged and provided by YRS: (i) to Applicants, as required; and (ii) to End-Users, as required.

2. Term and Termination; Exclusivity.

a. **Term.** This Agreement will commence on the Effective Date and shall remain in full force for 3 years (the "Initial Term") unless earlier terminated in accord with section 2(b) (Termination). This Agreement shall be renewable by Client for up to two (2) successive 1-year option terms (each a "Renewal Term"), and Client shall make commercially reasonable efforts to give written notice of its intent to exercise any option not later than thirty (30) days prior to expiration of the then-current (Initial or Renewal) Term. The Initial Term and Renewal Term(s) shall be collectively referred to as the "Term."

b. **Termination.** Either party may terminate this Agreement upon written notice to the other party where there has been a material breach that is not or cannot be cured within forty-five (45) days of written notice of the material breach and a demand for cure of such material breach. Termination pursuant to this section 2(b) (Termination) shall be effective upon delivery of written notice and, where applicable, after expiration of the cure period. Notwithstanding the foregoing, YRS does not guarantee that any information contained in the Services will be available from any specific Credit Bureau or CRA; and in the event the Credit Bureaus stop providing data to YRS for any reason, YRS may terminate this Agreement, in whole or in part, upon written notice to Client which, if possible under the circumstances, will be issued in advance of the termination effective date.

c. Effect of Termination.

(i) **Services Termination.** Upon termination or expiration of this Agreement, YRS will cease providing the Services to Client and all outstanding Undisputed Fees owed, if any, shall become immediately due and payable, except to the extent of any pending payments, credits, offsets, or equivalent amounts that may be formally disputed by Client in accordance with section 3(d) (Partial Fee Disputes).

(ii) **Return of Confidential Information.** Upon this Agreement's termination or expiration effective date, the parties shall comply with section 6(d) (Ownership and Return of Confidential Information).

d. **Survival.** The parties' obligations under, and the provisions of, sections 2(c) (Effect of Termination), 3 (Fees), 4 (Acknowledgments, Criteria and Access), 6 (Confidentiality), 7 (Warranties), 8 (Damage Limitations), 10 (Mediation)

and 11 (General Provisions) shall survive this Agreement's termination or expiration.

3. Fees.

a. **Fees.** Client expressly acknowledges and agrees to pay YRS the Fees for its use of the Services in accordance with Schedule A (Fee Schedule) and to provide and keep current all billing-related information to be provided by Client in Schedule D (Required Billing and Invoicing Information). Client further expressly acknowledges and agrees that it, and not any other party (such as, by way of example, a third party Property owner), is solely responsible for paying to YRS all Fees for the Services actually used by Client, even if Client used the Services in connection with the management of Property that Client no longer manages or owns. Client agrees to maintain complete, accurate, and up-to-date invoicing information as provided in Schedule D (Required Billing and Invoicing Information).

b. **Failure to Pay.** This Agreement shall be subject to the terms and provisions of the Illinois Local Government Prompt Payment Act, 50 ILCS 505.

c. **Taxes.** The Fees are exclusive of any tariff, duty, or tax (exclusive of taxes based on YRS's net income), however designated, levied, or based, that may apply to the Services provided under this Agreement.

d. **Partial Fee Disputes.** If Client reasonably and in good faith disputes any Fees, and provides notice of such dispute in accordance with section 11(e) (Notices), Client agrees that the undisputed portion of such Fees, if any ("**Undisputed Fees**") shall be due and payable as invoiced irrespective of the dispute.

4. Acknowledgements, Criteria, Access and Location.

a. **Acknowledgements and Required Supplemental Terms and Conditions.** As an express condition of accessing and using the Services as permitted under this Agreement, Client acknowledges and agrees that it and all End-Users shall do so only for the Permissible Purpose, and that Client and all End-Users are bound by: (i) the terms and conditions of this Agreement related to the access and use of the Services; (ii) the FCRA; (iii) all other applicable laws and regulations; and (iv) the then-current version of Schedule C (Required Supplemental Terms and Conditions), the full text of which is located and available on-line at: <http://www.yardi.com/yrs-schedulec> or as YRS may otherwise provide to Client.

b. **Tenant Eligibility Criteria.** Client is solely and exclusively responsible for establishing the Eligibility Criteria for each Property. YRS plays no role whatsoever in determining the Eligibility Criteria for any Property, plays no role in any tenancy decisions and does not guarantee the effectiveness of Client's Applicant selection policies or the accuracy of any Credit Bureau, CRA or other information delivered by way of the Services or in a Tenant Screening Report.

c. **Access to and Use of the Services.** Only End-Users are authorized to access and use the Services, and shall only do so for the Permissible Purpose. End-Users may be added or replaced, free of charge, however: (i) each End-User must have a unique password or user-ID with which to access or use the Services; (ii) user-IDs and passwords must be immediately revoked when an End-User is no longer authorized to access or use the Services; (iii) End-User passwords and

user-IDs may not be shared or used by more than one individual End-User; and (iv) Client shall keep and maintain an accurate list of its currently authorized End-Users and shall provide such list to YRS upon request. If any user of Client's Voyager software has access to the Services and is not an End-User, Client shall require and ensure that such user first executed, directly with YRS, a Screening Services Activation Agreement or equivalent. Notwithstanding the foregoing, **any unauthorized access to or use of the Services by anyone shall entitle YRS to immediately suspend or terminate part or all of the Services**; provided, however, if possible under the circumstances, Yardi will provide Client advance notice of any suspension or termination pursuant to this section.

d. **Right to Audit and Compliance.** In accordance with YRS's obligations to the Credit Bureaus and some CRAs, including YRS's obligation to help prevent and detect potentially fraudulent and/or suspicious activity, Client acknowledges and agrees that YRS may conduct random as well as regular monitoring of End-User's access to and use of the Services and compliance with section 4(a) (Acknowledgements and Required Supplemental Terms and Conditions) for the purpose of validating that End-Users are accessing and using the Services only for the Permissible Purpose and in accordance with this Agreement. Additionally, pursuant to any obligations YRS has or may have under any laws or regulations concerning the prevention of identity theft, financial fraud, money laundering, terrorist financing and the like, Client agrees to comply with any standard YRS "know-your-client" requirements, processes or procedures.

e. **Shared Location.** In the event Client operates from a physical location or on a server or network (the "Location") that is shared with a third party business (a "Company"), Client hereby acknowledges and represents that: (i) Client is legally entitled to operate at or on the Location shared with Company; and (ii) Client shall expressly prohibit and physically and/or electronically prevent Company from accessing or using the Services in any manner or for any purpose whatsoever.

5. Software Title.

Non-Transfer. All right, title and interest in and to any YRS software or any software of its parent or subsidiary companies (collectively for purposes of this Agreement, "Yardi Software") used as part of the Services shall remain exclusively with YRS or its parent or subsidiary company. No title transfer is intended or executed by this Agreement.

6. Confidentiality

a. **Confidential Information Definition.** "**Confidential Information**" means all non-public information including, without limitation: (i) patent, copyright, trade secret, and other proprietary information; (ii) Yardi Software; (iii) a party's financial information; (iv) customer lists, business forecasts, sales and marketing plans; (v) the Services; (vi) the content and data comprising the Services; and (vii) any other information disclosed by one party (a "**Disclosing Party**") to another party (a "**Receiving Party**"), or to which a Receiving Party is exposed because of this Agreement, that a Disclosing Party identifies as confidential at the time of disclosure or which, by its nature, reasonably should be regarded as confidential.

b. **Nondisclosure and Nonuse Obligations.** Each Receiving Party agrees that it will not disseminate, distribute, expose, or in any way disclose any Confidential Information of a Disclosing Party to any third party. A Receiving Party may use a Disclosing Party's Confidential Information to the extent

necessary to perform its obligations under this Agreement. A Receiving Party's employees and contractors may use Confidential Information only for the specific business purpose for which it was made available and not for any other purpose. A Receiving Party's employees and contractors may not use Confidential Information in any way that may compete with a Disclosing Party. Each Receiving Party agrees that it will treat all Confidential Information with the same degree of care as that Receiving Party accords its own Confidential Information, but in no event less than reasonable care. Each Receiving Party agrees that it shall disclose Confidential Information only to those of its employees and contractors who need to know such information, and each Receiving Party represents and agrees that such employees and contractors, either as a condition to employment or in order to obtain the Confidential Information, shall be bound by terms and conditions at least as restrictive as those applicable to the Receiving Party under this Agreement. A Receiving Party shall immediately give notice to the Disclosing Party of any unauthorized use or disclosure of that Disclosing Party's Confidential Information and agrees to assist that Disclosing Party in remedying any such unauthorized use or disclosure of Disclosing Party's Confidential Information.

c. Exclusions from Nondisclosure and Nonuse Obligations. Each Receiving Party's obligations under section 6(b) (Nondisclosure and Nonuse Obligations) shall not apply to Confidential Information that the Receiving Party can document: (i) was (through no fault of the Receiving Party) in the public domain at or subsequent to the time the information was received from the Disclosing Party; (ii) was rightfully in the Receiving Party's possession free of any confidentiality obligation at or subsequent to the time the Disclosing Party disclosed it to the Receiving Party; or (iii) was developed by the Receiving Party's employees or agents independent of, and without reference to, any information communicated to the Receiving Party by a Disclosing Party. A Confidential Information disclosure by a Receiving Party either: (A) in response to an enforceable order by a court or other governmental body; (B) as otherwise required by law; or (C) necessary to establish the rights of a party under this Agreement, shall not be a breach of this Agreement by a Receiving Party or a waiver of confidentiality for other purposes; provided, however, the Receiving Party shall provide prompt prior written notice of any such Confidential Information disclosure to the Disclosing Party (to the extent allowed by applicable law) to enable the Disclosing Party to seek a protective order or otherwise prevent such disclosure.

d. Ownership and Return of Confidential Information and Other Materials. Each Disclosing Party's Confidential Information is and shall remain the property of the Disclosing Party, and this Agreement does not grant or imply any license or other rights to a Disclosing Party's Confidential Information except as expressly set forth in this Agreement. Within 5 business days after a Disclosing Party's request, the Receiving Party will promptly either, at the Disclosing Party's election, destroy or deliver to the Disclosing Party all Confidential Information and materials furnished to the Receiving Party, and shall with reasonable promptness provide a company officer's written certification of compliance with said destruction or delivery.

e. Third Party Information Disclosure. A Disclosing Party shall not communicate any information to a Receiving Party in violation of the confidentiality, privacy or proprietary rights of any third party.

7. Warranties.

a. **Warranty Disclaimer (as between YRS and Client only).** EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, AND TO THE FULLEST EXTENT ALLOWED UNDER APPLICABLE LAW, YRS DISCLAIMS ALL WARRANTIES WITH REGARD TO THE SERVICES PROVIDED PURSUANT TO THIS AGREEMENT INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

9. Assignment.

YRS may assign, sell, convey, pledge or otherwise transfer this Agreement, in whole or in part and with or without notice, to its parent company, a wholly owned subsidiary, or a wholly owned subsidiary of its parent company; provided that the assignee assumes the obligations under this Agreement. Client may assign, sell, convey, pledge, or otherwise transfer this Agreement provided it has the express prior written consent of YRS, which shall not be unreasonably withheld. Any other attempted assignment, sale, conveyance, pledge, or other transfer of this Agreement is void and a material breach of this Agreement.

10. Dispute Resolution. In the event of a dispute arising out of or related to this Agreement, the parties shall mutually work to resolve any such dispute in good faith through direct negotiation. If the parties are unable to come to a mutual agreement after good faith discussions through direct negotiations within 30 days immediately following notice from one party to the other of its desire to have a dispute resolved, then Yardi shall submit such dispute to a member of its senior management and Client shall submit such dispute to its CIO. If the dispute is not resolved by Yardi's senior management and Client's CIO within 30 days immediately following the commencement of their discussions, then Yardi shall submit the dispute to its EVP and Client shall submit the dispute to its CPO. If the dispute is not resolved by Yardi's EVP and Client's CPO within 30 days immediately following the commencement of their discussions, then either party may invoke all legal rights and remedies available to it at law or in equity. Nothing in this section 10 (Dispute Resolution) prevents a party from seeking urgent injunctive or declaratory relief.

11. General Provisions.

The parties agree that they are independent contractors and nothing in this Agreement is intended to make the parties partners, agents, joint venturers, or any other form of joint enterprise, or to make the employees, agents, or representatives of one of the parties into employees, agents, or representatives of the other party. No party to this Agreement shall have any express or implied right or authority to assume or create any obligations on behalf of any other party, and no party to this Agreement shall have any express or implied right to bind any other party to any contract, agreement, or undertaking with any third party.
