Hi Dave !

Hoping you can connect me with the right person- My name is Brooke Taylor, and I am a correspondent for Fox National News. We got a press release about the Texas possible noncitizens who were registered on voter rolls.

We would love to do a story on this for tomorrow and speak with Texas Secretary of State Jane Nelson about Texas being one of the first states to partner with the federal government to use the SAVE database- and why this database is important.

We were hoping to set up a zoom for today, to do the story for tomorrow! This should take just 15 minutes or so. Let me know if there is availability today, we can make any time work!

All the best,

AM Brooke Taylor
