AFFIANT STATES THAT on 8/13/2015, the affiant received CyberTipline Report 5778397 from the National Center for Missing and Exploited Children (NCMEC). The center receives tips from internet service providers which have identified activity involving child pornography and other internet crimes against children. This report originated from Google and involved pornographic images of children being uploaded from IP address 74.132.31.22. An IP address is an Internet Protocol address that identifies a computer when it is connected to the Internet. The IP address allows requests for data sent from one location to be routed back to the same location. Also contained in this CyberTip, the above IP address was linked to Time Warner Cable and on 8/18/2015, the affiant requested a Grand Jury subpoena for the subscriber information. On 8/24/2015, Time Warner Cable responded to the record request and provided the following information for IP address 74.132.31.22. The subscriber is listed as Tania Miller of 2271 Mercury Street, Fort Mitchell, Kentucky 41017. The service was activated on 7/10/2014 and was still

active on 8/24/2015. The account has an email of vanillarust@twc.com and a phone number of (859)628-1536

The CyberTip listed the users email address as miller694u@gmail.com. Also provided in the CyberTip, NCMEC had provided a google search they had done using the miller694u@gmail.com email address which found nine results pertaining to the Tumblr profile <http://vanillarust69.tumblr.com/ask>. These results contained the text, "Ask me anything at miller694u@gmail.com." NCMEC also located two results when searching with spokeo with the email address miller694u@gmail.com. One of these profiles was of Bill M, member since January 29, 2015, male, location of Oaks, PA, age 47, caucasion/white ethnicity, and straight orientation.

Affiant reviewed the two images provided within the CyberTip. One of the images depicted a prepubescent male engaged in sexual intercourse with an adult woman. The affiant would estimate this male to be 10 to 12 years of age. The other image depicted what appears to be a prepubescent female engaged in sexual intercourse with an adult male. The affiant would estimate this female to be 8 years of age or younger.

These actions are against the PEACE AND DIGNITY OF THE COMMONWEALTH OF KENTUCKY.
