Re: FOIA-2018-00666
Facebook Records

Dear Ms. Zhou:

On March 20, 2018 we received your request dated March 20, 2018 under the Freedom of Information Act seeking access to:

1. The 2013 Facebook Assessments;
2. The 2015 Facebook Assessments;
3. The 2017 Facebook Assessments;
4. All records concerning the person(s) approved by the FTC to undertake the Facebook Assessments; and
5. All records of communications between the FTC and Facebook regarding the Facebook Assessments.

In that request, you asked that we expedite our review of this matter.

We are granting your request for expedited treatment because we have found that you have met the “compelling need” standard by establishing that you are a “person primarily engaged in disseminating information,” and by demonstrating that an “urgency to inform the public concerning actual or alleged Federal Government activity” exists. *See* 5 U.S.C. § 552 (a)(6)(E)(v).

In your request, you also asked for a public interest fee waiver. We are granting that request.

If you have any questions about the way we are handling your request or about our FOIA regulations or procedures, please contact Jonathan Hill at (202) 326-2684.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dione J. Stearns", is written over a circular blue stamp.
