Defendant.

Case No. 15-cv-00667 (CRC)

ORDER

For the reasons stated in the accompanying Memorandum Opinion, it is hereby

ORDERED that [17] Defendant's Motion for Summary Judgment shall be **GRANTED IN PART** and **DENIED IN PART** without prejudice. Summary judgment is granted to Defendant as to the adequacy of its initial search for responsive records to Part 1 of Plaintiff's FOIA request and its search for responsive records to Part 2 of the request. Summary judgment is denied without prejudice as to the adequacy of Defendant's supplemental search for responsive records to Part 1 of the request. It is further

ORDERED that [18] Plaintiff's Cross-Motion for Summary Judgment shall be **DENIED IN PART** and **RESERVED FOR JUDGMENT IN PART**. Summary judgment is denied to Plaintiff as to the adequacy of Defendant's initial search for responsive records to Part 1 of Plaintiff's FOIA request and Defendant's search for responsive records to Part 2 of the request. Judgment is reserved in part as to the adequacy of Defendant's supplemental search for responsive records to Part 1 of the request. It is further

ORDERED that the Defendant, by October 13, 2016, shall supplement the record by documenting its additional search consistent with the accompanying opinion or by explaining

further, in a declaration, why such a search would not be likely to uncover the remaining records at issue. The parties may renew their summary judgment motions as necessary within 14 days thereafter.

SO ORDERED.
