EPIC-2019-001	EPIC-2019-001-000001	Prioritization Request 1	GDPR	E-mail	10/18/2019	2	NSCAI	(b)(6)	(b)(6): The names, contact and personal information protected in this email exchange do not contribute to the public's understanding of governmental activities and functions and the release of this information would constitute an invasion of the NSCAI employees' privacy interests.
EPIC-2019-001	EPIC-2019-001-000044-89	Prioritization Request 1	WG4 Research Memo CLEAN 092519 (1)	Memo	9/25/2019	46	NSCAI	(b)(5)	(b)(5): The Deliberative Process Privilege protects from release agency records that are deliberative in nature and are part of the agency's internal decision-making process. In this instance the withheld information is pre-decisional and deliberative NSCAI staff research related to international cooperation in national security and AI. The research paper contains facts and key points that are inextricably intertwined with staff subjective evaluations, opinions, recommendations, and potential next steps. As such, it is reasonably foreseeable that disclosure of this deliberative agency record would chill open and frank discussions by federal government employees thereby harming an interest protected by Exemption 5.
