The names, contact, and personal information protected in this document do not contribute to the public's understanding of governmental activities and functions and the release of this information would constitute an invasion of privacy interests.
EPIC-2019-001	EPIC-2019-001-000726	Entanglement vs Competition	PowerPoint Slide	5/17/2019	1	NSCAI	Withheld in Full	(b)(5)	(b)(5): The Deliberative Process Privilege protects from release agency records that are deliberative in nature and are part of the agency's internal decision-making process. In this instance, the exempt information is a pre-decisional and deliberative Commission staff developed diagram of research conducted to educate the Commissioners. This record was not used further to inform the Commission's work. As such, it is reasonably foreseeable that disclosure of this deliberative agency information would chill open and frank discussions by federal government employees thereby harming an interest protected by Exemption 5.
