MR. JERAMIE D. SCOTT
ELECTRONIC PRIVACY INFORMATION CENTER
SUITE 200
1718 CONNECTICUT AVENUE NW
WASHINGTON, DC 20009

FOIPA Request No.: 1255754-000
Subject: FACIAL RECOGNITION
TECHNOLOGY PRIVACY THRESHOLD
ANALYSIS (PTA) AND PRIVACY IMPACT
ASSESSMENT (PIA)

Dear Mr. Scott:

This is in response to your Freedom of Information Act (FOIA) request.

Based on the information you provided, we conducted a search of the Central Records System. We are unable to fulfill your request for the updated Facial Recognition Technology Privacy Threshold Analysis (PTA) and Privacy Impact Assessment (PIA) at this time, as both documents are currently being drafted. Until these documents are finalized, they will not be available to the public.

It is unnecessary to adjudicate your fee waiver because no responsive main file records were processed.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

You may file an appeal by writing to the Director, Office of Information Policy (OIP), U.S. Department of Justice, 1425 New York Ave., NW, Suite 11050, Washington, D.C. 20530-0001, or you may submit an appeal through OIP's eFOIA portal at <http://www.justice.gov/oip/efoia-portal.html>. Your appeal must be received by OIP within sixty (60) days from the date of this letter in order to be considered timely. The envelope and the letter should be clearly marked "Freedom of Information Appeal." Please cite the FOIPA Request Number in any correspondence to us for proper identification of your request.

Enclosed for your information is a copy of the FBI Fact Sheet.

Sincerely,

David M. Hardy
Section Chief,
Record/Information
Dissemination Section
Records Management Division
