[REDACTED] As per our meeting yesterday attached is the latest MUST HAVE/SUPPORT bare bones request. As discussed my budget is a running target tied to cost module funding and I cannot specifically identify what base funds [REDACTED] I have to support the [REDACTED] identified requirements. Additionally even if a requisition is submitted and approved Finance Division is only authorizing [REDACTED] funding due to the continuing resolution. I will say that [REDACTED] will use base funds to support, however, at this time I simply cannot provide a specific number.. Hope this assists in your presentation to the Executive Board.

4. **IDENTIFICATION OF THE STATUTORY AUTHORITY PERMITTING OTHER THAN FULL AND OPEN COMPETITION**

(U) The statutory authority for conducting this acquisition is 41 U.S.C. 253 (c)(6). The regulatory authority is FAR 6.302-6(a)(2). Full and Open competition need not be provided for when the disclosure of the agency's needs would compromise the national security unless the agency is permitted to limit the number of sources from which it solicits bids or proposals.

6. **DESCRIPTION OF EFFORTS MADE TO ENSURE THAT OFFERS WERE SOLICITED FROM AS MANY POTENTIAL SOURCES AS WAS PRACTICABLE**

(U) Since the procurement was not advertised pursuant to FAR 5.202(a)(1), no other sources were given the opportunity to express written or oral interest in this procurement. Further, FAR 5.202(a)(1), provides Contracting Officer authority to not publish a procurement action when "the synopsis cannot be worded to preclude disclosure of an agency's needs and such disclosure would compromise the national security", (e.g., would result in disclosure of classified information). This procurement is not being publicized in the Federal Business Opportunities (FedBizOpps), or any other periodicals because to do so would [REDACTED]

8. **A DESCRIPTION OF THE MARKET SURVEY CONDUCTED AND THE RESULTS OR A STATEMENT OF THE REASONS A MARKET SURVEY WAS NOT CONDUCTED**

(U) [] continuously conducts market surveys to determine state-of-the-art technologies. The engineers, technicians, and technical personnel are in constant contact with equipment vendors, other technical members of the intelligence community, as well as visiting trade shows, reviewing trade journals, and browsing the Internet. [] routinely conducts and attends working group (WG) meetings with vendors to assess the capabilities, performance, and quality of equipment that meets the needs of the FBI. [] assessed available capabilities and have determined that other vendor technologies have not yet achieved the advanced capabilities []

9. **ANY OTHER FACTS SUPPORTING THE USE OF OTHER THAN FULL AND OPEN COMPETITION**

(U) [] See paragraph (5) above for facts supporting the use of other than full and open competition.

10. **A LISTING OF SOURCES, IF ANY, THAT EXPRESSED IN WRITING AN INTEREST IN THE ACQUISITION**

(U) Since the procurement was not advertised pursuant to FAR 5.202(a)(1), no other sources were given the opportunity to express written or oral interest in this procurement.

11. **A STATEMENT OF THE ACTIONS, IF ANY, THE AGENCY MAY TAKE TO REMOVE OR OVERCOME ANY BARRIERS TO COMPETITION BEFORE ANY SUBSEQUENT ACQUISITION FOR THE SUPPLIES OR SERVICES REQUIRED**

(U) The FBI will evaluate future procurement actions to determine whether full and open competition is appropriate and in the best interests of the government.

12. **TECHNICAL REPRESENTATIVE CERTIFICATION**

(U) Based on the above findings, it is hereby determined, within the meaning of 41 U.S.C. 253(c)(6) and FAR 6.302-6, full and open competition need not be provided for when the disclosure of the agency's needs would compromise national security, unless the agency is permitted to limit the number of sources from which it solicits bids or proposals.
