The Added Benefits of Clear

The benefits of Clear extend far beyond the airport security line. In fact, we continue to enhance the value of Clear with new and exciting benefits all the time.

For example, Clear members can receive discounts on airport parking at all Park 'N Fly locations nationwide.

But that's not all. Clear now makes it easy to get into the game. Card members can use Clear for speedy entry into select major sports venues nationwide — including several NFL stadiums. So you never have to miss a play.

Best of all, the list of airports that accept Clear is constantly expanding from coast to coast, making air travel more predictable in more places.
