Airline Data Sets for PENTTBOMB

A brief summary of the Airline data sets received

by the Special Technologies & Applications Section

8 July 2004

Version 1.0

.....

Introduction

The purpose of this document is to provide an overview of the Airline data received in support of PENTTBOMB. Currently, the airline data sets received cover two major areas:

- Travel Data
 - Airline Manifests/Reservations
 - Airline Passenger Name Record

Data Set Descriptions

The section provides a description of the Airline data sets received in STAS after September 11, 2001 in support of the PENTTBOMB case. The data type, date ranges for the data, and the type of data set.
