Dear District Attorney Moore,

Thank you for your response, received on October 16, 2015, to EPIC's request under the Public Records Act of Louisiana, La. Rev. Stat. Ann. § 44:1 et seq.. Your response stated that your office does not have the source code information for the TrueAllele software. However, it did not reference any documents under category one or two of our request. In addition to the TrueAllele source code, EPIC is requesting:

1. All contracts, proposals, and technical specifications from Cybergenetics regarding the automated DNA-matching program TrueAllele; and
2. All audits, assessments, and memoranda regarding the accuracy of TrueAllele.

Thank you for your consideration of this request. As provided in La. Rev. Stat. Ann. § 44:35(A), I will anticipate your determination on our request within five business days. For questions regarding this request I can be contacted at 617-945-8409 or FOIA@epic.org.

Respectfully Submitted,
